DD/S 7 D 26 Hqs		Col. White:
SSA-DD/S 7 D 16 Hqs	25X1	We have discussed this case with both since
	25X1	both are in the same building. The chief of the office in
	25X1	has Class A furnish-
		ings which were approved for reasons substantially the same as
	25X1	those outlined by in the
	25X1	attached memorandum. We believe that the Chief of Base should
	25X1	have office furnishings comparable to those of the chief. The
	25X1	qualification which has been typed on the last page of the memorandum is due to the fact that isn't certain of the intended layout of the office space. The furniture requested would provide Class A furnishings to two officers, but
	25X1	we understand that they will be in the same room. It is not intended that the Base be authorized
	25X1	furnishings superior to those already issued to has only one Class A officer.
